Stylish Portable Storage in a Protective, Rotating Jacket

Lexar offers a comprehensive line of high-performance USB flash drives designed with a wide variety of features, capacities, and capabilities. With so many options, it's easy to find the right Lexar® JumpDrive® USB flash drive to fit your needs and lifestyle.

Lexar JumpDrive TwistTurn is a high-capacity USB flash drive that provides a convenient solution for storing, transferring, and sharing multimedia and more. Lexar JumpDrive TwistTurn is available in 2GB-64GB capacities.

Convenient, High-Capacity Solution

High-Capacity Storage and Stylish Housing. JumpDrive TwistTurn is available in a wide range of large capacities, allowing you to transfer, store, and share a vast number of data, photo, music, and video files. The drive has a capless design with a rotating case to protect the drive and its contents, providing an excellent combination of durability and convenience.

Plug-and-Play Design with Great Features. JumpDrive TwistTurn has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you. Its durable hinged jacket rotates to easily access a USB port, and it sports an LED activity light that blinks during file transfer, so you know when the job is done. JumpDrive TwistTurn also works across platforms, giving you flexibility and ease of use.

Cool Color Options. Created to suit your style, JumpDrive TwistTurn is available in an assortment of stylish colors. It also makes a fashionable accessory and comes with a key chain hole, making it easy to tether to a key ring, attach to a backpack, or hook to a purse or briefcase. With large storage capacities and stylish design, Lexar JumpDrive TwistTurn is an incredibly versatile and convenient portable storage solution.

Lexar offers a comprehensive line of innovative, award-winning memory products in several categories, including memory cards, card readers, DRAM, USB flash drives, and portable backup drives. With so many options, it's easy to find the right Lexar solution to fit your needs.

Lexar. When Memory Matters.™

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes. For more information, go to www.lexar.com/capacity.
